Subversion (Latin subvertere:  
overthrow) refers to a process by  
which the values and principles of  
a system in place are contradicted  
or reversed, an attempt to  
transform the established social  
order and its structures of power,  
authority, hierarchy, and norm  
(social). Fri, 18 May 2018

GUIDE For - WHO - Regular  
physical activity is one of the  
most important things you can do  
for your health. If you're not sure  
about becoming active or  
boosting your level of physical  
activity because you're afraid of  
getting hurt, the good news is that  
moderate-intensity aerobic  
activity, like brisk walking, is  
generally safe for most people.
