text types in english pdf -
different forms of writing are
often known as text types at
school. Factual texts inform,
instruct or persuade by giving
facts and information. Literary
texts entertain or elicit an
emotional response by using
language to create mental images.
Students are often asked to
present an assignment or project
which may be one of these text
types. Mon, 07 May 2018

any given text can be specified
precisely with respect to each
dimension. The dimensions and
associated text characterizations
provide the basis for the present
typology: the types are defined
such that the texts in each type
are maximally similar in their
linguistic characteristics, while
the different types are maximally
distinct from one another. Sun, 20
